

For those who served

New Hampshire VETERANS HOME

Tilton, New Hampshire

The New Hampshire Veterans Home ("NHVH") has been a residential health care provider for Granite State veterans since 1890. Established in Tilton as the Soldier's Home for Civil War veterans, it has provided care and

comfort for thousands of men and women who have served their country, state and fellow citizens.

Today, the 250-person facility provides continuing care for the physical, emotional and cognitive changes that our Residents experience as part of the overall aging process. As a professional long-term care provider, NHVH

offers a full range of residential, medical and nursing care. Residents also receive restorative, recreational, social and dietary services. NHVH has formalized agreements with both the Department of Veterans Affairs and local hospitals for inpatient hospitalization and specialized outpatient care. Health care services include pharmacy, dentistry, podiatry and optometry.

NHVH has a proud history of successfully adapting its services to meet the needs of Granite State veterans. These services include both traditional as well as dementia specific long-term care. The Life Enhancement Dementia Unit is a state-of-the-art facility

dedicated to addressing the unique needs of Residents with Alzheimer's disease and other memory impairment disorders.

"The New Hampshire Veterans Home is a wonderful place. The staff members make me feel at home."

— Charles R. Safford, Resident

*"We don't stop playing
because we grow old;
we grow old because
we stop playing."*

—George Bernard Shaw

*Residents don't live
in our facility;
we work in their home.*

Our philosophy of care preserves personal identity, ensures dignity, promotes independence and instills trust. Dedicated staff members work in partnership with volunteers from both surrounding communities and various veteran service organizations to enrich our Residents' lives.

Residents are encouraged to participate in a variety of activities both at home and in the community. A store, library, greenhouse, family room, resident council meetings as well as barber and hairdresser services are available. Regular activities include dances,

picnics, live entertainment, exercise groups, arts & crafts, shopping trips, cooking club, fishing derbies and tournaments in cribbage, darts, bowling and billiards. NHVH also offers pastoral care, inter-generational programs and animal-assisted therapy.

NHVH credits its success to the continued support of the Governor, Executive Councilors, State Legislature, New Hampshire's Congressional Delegation, the Department of Veterans Affairs and a network of veterans, volunteers and supporters from throughout the Granite State.
